P: 1300 794 555

To comply with Aust. Standards a mailbox should be a minimum of 330mm x 240mm in either a Landscape or Portrait style. The mailslot should be no wider than 30mm.
For mailboxes installed in a harsh enviroment, i.e. subject to salt spray/mist, 316 stainless is recommended.

Drawing	Approved:	Customer
Portrait Front Open	*(see conditions of sale at www.mailmaster.biz)*	Portrait A4 Front Opening

2mm 316 Stainless Steel
in a Fine Brushed Finish w/
Key Lock Front Door

Laser Stencil Cut Numerals/Text
with Black Backing

NOTE: General manufacturing tolerances apply and please consider these when planning your works. Add on 10mm overall to allow clearance on openings. We recomend that these mailboxes are retorfitted (where applicable) which allows for future service-ability if required and avoids damage to the unit.

This item is being specially manufactured and may take some time. Please use this drawing to make allowances in your construction to retrofit this item if necessary.
To avoid damage to this product it is recommended to fit after construction or at time of rendering.

Stainless Steel needs some loving care!
